

DIRECTIONS FOR “MY FAVORITES”

- Open a word processing document (blank paper), and save this document as “My Favorites.”
- Set three left tabs on your ruler at any spot you would like, as discussed in class.
- You need to have your name, date and period typed in the top right corner of your paper. Your format should be standard academic format.
- Type the information below on your paper and make it look attractive. The fourth column of information should be your own favorites.
- **Change the page orientation to Landscape.**
